

SOME OF YOU MAY recall that last week's column made quite a fuss over the question raised by Mrs. Dot Vierra, of 1947 Hacienda, about the time difference between here and Vietnam.

Dot, who has two sons in Vietnam, was curious because her son mentioned he was calling home Saturday. But she didn't know whether it was Vietnam's Saturday or Campbell's Saturday.

She followed our suggestion and called the airport and airlines but got different answers. In the meantime, our research couldn't pinpoint the time difference either.

SHORTLY AFTER the paper was out last week, someone called the office: "To find the time in Vietnam or any other place, call the telephone office."

The party then hung up without revealing her name.

And you know something?

We DID call the phone company and we DID receive a definite answer.

In just a few minutes after telling the operator the problem, we were informed that Vietnam is 16 hours ahead of Campbell on the clock.

Thus, it was pointed out, if it was 2 p.m. Friday in Campbell, it would be 6 a.m. Saturday in Vietnam.

Wonder why we didn't think of calling the phone company in the first place?

A NOTE THIS week from Mrs. E. F. Tritt, president of the Castro Junior High School PTA, was much appreciated by the staff.

Mrs. Tritt commented that the PTA was surprised and pleased at the turnout, approximately 250 people, for the PTA meeting at which Police Chief John Morgan spoke on the problem of drug abuse among the teenagers.

She commented that it was an indication that parents are becoming increasingly aware of the narcotics problem and she was hopeful that the program contributed at least in some part to increase their awareness.

She added another point which we are happy to quote in full: "So many people commented that they had seen the article in The Campbell Press, and I told them to be sure and tell your advertisers!"

Thank you, Mrs. Tritt for those kind thoughts.

ANOTHER NOTE this week from Mrs. Floyd Greenleaf, of 1035 W. Parr, who mentioned that she thought the idea of a "History Day" for Campbell as suggested in this column recently, was a good one.

Our suggestion was based on the recommendation that was made by the panel on "Campbell's Image" at the Congress for Community Progress of which the Rev. Ben Gould was moderator.

Ben is also a director of the Chamber of Commerce and has been named chairman of the

Unification also issue

Voters name trustees next Tuesday

Incumbent trustees in both the Campbell elementary and high school districts, as well as in the West Valley Joint Junior College District, which serves Campbell, have opposition on the ballot in the election next Tuesday, April 18.

On the same ballot also will be "Measure A" which asks the voters approval or disapproval of whether the five elementary districts that make up the Campbell Union High School District should be unified.

It will be the second time that the voters in the district have voted on unification issue. Two years they overwhelmingly turned it down (with the exception of Moreland).

Observers of the scene do not expect the question to fare any better (if as well) this time around. The main argument presented against unification is that the proposed district would be so "extremely large."

No clear-cut issue has arisen in the trustee elections, although a few of the challengers have been actively campaigning "for a change." The incumbents, in turn have been content to "stand on their records" in office.

ELEMENTARY
Considerable interest has centered on the Campbell Union elementary School District in which six candidates, two of them in-

cumbents, are seeking the two positions open on the board.

William A. Parton of 1380 Ridgeley Dr., Campbell and Ted Segwick, 1275 Woodlawn, San Jose, are the incumbents.

Two of their challengers, Mrs. Sara F. Fischer, of 950 Alameda, and Dr. Richard MacQuiddy, 38 Decorah Lane, Campbell, have been especially active in the campaign.

Mrs. Fischer, a resident of Campbell since 1953 and for 22 years of California, is the widow of Jack Fischer, who died last September after serving as principal of San Tomas School for 14 years.

Mrs. Fischer served in the WACS in World War II and she and Fischer were married while both were in the service. She has been active in PTA activities, having served as

president of Campbell High PTA and the district. She points out that she has been exposed to the problems and rewards of the teaching profession for 18 years and is aware of the educational, cultural and economic resources of the school district. She has one son, Jack E. Fischer, 22.

MacQuiddy, a native Californian, attended San Jose State and received his Ph.D. degree from Stanford in psychology. He and his wife and two children, have lived in the district for eight years.

MacQuiddy, now in private practice as a psychologist, was a school psychologist for the Campbell elementary district and taught in public schools for four years before that.

He explains that he has devoted much of his career and his private life to the welfare of the children of the community and believes the future of the country lies in the hands of the young people being educated in our schools today.

The two other candidates appearing on the

ballot are A.W. (Bert) Little, a draftsman, residing at 890 Monica Lane, Campbell and Bernard L. Weddel, listed on the ballot as a CPA-educator-consultant.

HIGH SCHOOL
In the Campbell Union High School District three candidates, two of them incumbents are on the ballot for two offices.

Emerson M. (Doc) Arends, of 716 Cambrian Dr., Campbell, currently president of the board and who has served as a trustee for

(Continued on page 2)

At Expressway - Campbell Ave.

Temporary guard could become "permanent"

"Changing-of-the-guard" is a time-honored, traditional military ceremony.

But in Campbell it means something else, as the city councilmen have learned.

That crossing guard that was authorized by the City Council at San Tomas Expressway and Campbell Ave., in November as a "temporary" measure because of the extreme hazardous conditions at the "free right turn" lane, will probably gain "permanent" status.

That was indicated Monday night at the City Council meeting.

The city staff had recommended that, although the "blind" spot had been removed for the right turn lane by remodeling a fence and setting back the sidewalk, it was felt that the crossing guard should remain until school was out in June.

But the staff's implication was that the need for the crossing guard had been eliminated. The guard, thus, would not be necessary the next school year.

But when the council

GAVEL EXCHANGE--Dr. Edward J. Rogers, (left) professor of political science at San Jose State, receives the gavel at the City Council meeting Monday night from outgoing Mayor Ralph Doetsch who has served as council presiding officer for the past year.

Rogers, who is completing his seventh year as a councilman, becomes this city's eighth mayor. With his election a 15-year city tradition was broken. Previous mayors had served for at least two years. Councilman Bill Smeed, completing his third year on the council, was named Vice-Mayor.

SOMETHING'S MISSING HERE. Would you believe that a service station graced the above pictured lot (Hamilton

at Central) until the bulldozers moved in? The removal of any gas station in this community (even tempor-

arily) was considered so newsworthy that the Press thought the event should be recorded pictorially.

On Los Gatos Creek bank

Tree-planting "festival" takes place on April 22

For the second successive year the banks of Los Gatos Creek are going to get a tree-planting treatment.

On Saturday, April 22, from 8:30 to noon all civic-minded citizens are invited to participate in the second annual tree-planting "festival" as part of the city beautification program under the direction of the newly-formed Citizens Committee for City Beautification.

All civic organizations have been invited to participate in the program which will culminate with a free luncheon at noon served by members of the Campbell Garden Club.

The tree-planting project, which was so successful last year when more than 200 trees were planted along the Los Gatos Creek bank, is part of the overall citywide clean-up cam-

paign which will also feature a free curbside trash pickup service offered by the Green Valley Disposal Co. on Tuesday, April 25.

City Manager Bob Stephens has indicated also that it is possible that on Saturday, April 22, dedication ceremonies may be held for the 10-acre county park off Camden Ave. for which the contract has been let but work has been held up by wet

weather.

Those participating in the Los Gatos tree-planting "festival" are asked to meet at the Campbell Park at Campbell and Gilman at 8:30 a.m. on Saturday, April 22, to be assigned their tree-planting chores.

Professional landscape people have been called in to spot the locations for the trees.

Other beautification projects that are in the planning stage include entrance signs for the city and the name "CAMPBELL" spelled out in rocks on the west bank of Los Gatos Creek north of Campbell Ave.

NOT A DRY RUN--As the rain clouds continued to spill over in one of the wettest seasons in years for the area, streets in the

community in some instances have taken on the appearance of creeks...and creeks look like rushing rivers...Anyway pictured

are two youngsters on their way to the Hazelwood School at Virginia Ave. as they "forded" the street.

Editorial

Moving traffic through

The improvement of downtown Campbell Ave. following the pattern of the so-called "Plan #2," calling for the street to have four moving traffic lanes plus parking, where the setback is available, has been adopted by the City Council.

"Plan #2" will eliminate parking where no setback is obtainable.

The basic reason for adoption of "Plan #2" was because this plan can lend itself to future expansion. It was also felt necessary that steps must be taken to start the long-needed improvement of the street.

Everyone is agreed that some improvement to the street is necessary, no matter what the future holds for the so-called downtown core.

After considerable research and study, the City Council adopted "Plan #2." The city is more or less committed to follow through on this project.

But the street project will not get underway for at least another year. Prior to the work on the street itself, the last link in the storm drain system will be installed.

We are sure that you all will agree that such a plan makes sense. That is, the installation of the storm drains before the street is improved so that the necessity of tearing up an improved street will be eliminated.

In a comparatively short time it is planned to install the storm drains on a portion of Campbell Ave. extending toward the Los Gatos Creek.

It is obvious when such a construction project gets underway that a portion of the present street will be torn up and traffic will be disrupted.

No matter what conditions will be levied against the contractor to allow traffic to move through in a curtailed manner during the construction period, it is obvious that traffic on the street will not be able to flow as rapidly as it does now.

AND this emphasizes a situation that has been obvious for a long time but until the street work starts, will not have made much of an impact on the community.

A torn-up Campbell Ave. WILL very definitely, in our opinion, show the dire need for a better circulation pattern in this community for the movement of east-west traffic.

Campbell Ave., as all of you know, is already clogged with through traffic, which works as a detriment to those business firms that are located on the street.

We are well aware that no longer is Campbell Ave. a prime retail center of the community.

Yet there still are progressive merchants, banking institutions and other establishments on the street that are part and parcel of this community's healthy business life.

The heavy flow of "through traffic" on the street at the present time is not helping those establishments that are located on Campbell Ave.

But just imagine, if you will, what the situation will be when the street is "temporarily" torn up for the storm drain project and the present bumper-to-bumper traffic at the peak periods is channeled into the lanes that will be open.

What we are trying to emphasize is that now is the time, we believe, to give consideration to the possibility of improving or cutting through such parallel streets to Campbell Ave. as Rincon or Latimer.

We concede that it would be both a physical and fiscal impossibility to virtually "overnight" take steps to eliminate a traffic problem that has become increasingly worse over a period of years.

Yet we feel that it might be possible to alleviate some of the deplorable traffic conditions that exist if temporary measures are taken to improve either Rincon or Latimer avenues from Winchester east.

There is a possibility that Rincon could be cut through to Railway Ave. and thus through traffic could move parallel to Campbell Ave. through the congested downtown area.

Latimer Ave. could also be cut through to Central now and Harrison later which would allow the same flow on the north of Campbell Ave.

We recognize the financial problems that are involved in such projects.

We are well aware of the city's commitments as far as gas tax funds are concerned.

We know full well that there are many other streets in this town that are rated higher on the priority list than developing alternate routes for Campbell Ave.

We believe, however, that the situation will soon become acute. We believe sincerely that as long as Campbell Ave. acts as a mere "through traffic" channel, local business firms will be penalized.

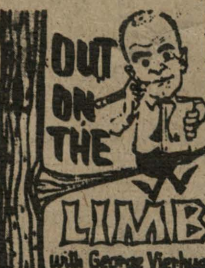

Alternate routes moving east and west will allow "through traffic" to get through.

Local people who desire to patronize the local activities on Campbell Ave. will thus be able to do so without competing with the ever-increasing commuters whose only thought about Campbell is to get through it as fast as possible.

As we said, we are well aware of the problems such suggestions will cause.

But we do think that now is the time to give some serious consideration to a situation that is bound to become worse within a short time.

MORE ABOUT

(Continued from Page 1)

permanent "congress" committee that has been set up by the C. of C.

-0-

WE HAVE AN idea that we are going to hear more about the "History Day."

Incidentally, Mrs. Greenleaf mentioned that, "There are many people who really like Campbell, my family being among those, and we are interested in encouraging this idea of History Day."

She added that members of the Campbell Artists Guild are participating in the first West Valley Historical Society art exhibit planned in June. They are busy hunting places in Campbell of historical interest and painting pictures of Campbell of at least 50 years ago as well as today.

She suggested that perhaps Campbell's "History Day" maybe could be tied in with the art exhibit in some manner.

-0-

ANOTHER CALLER (unnamed purposely) this week reported enthusiastically via the phone:

"GREAT NEWS! For the first time in 30 years a gas station is being REMOVED in town."

"The trend," our caller continued, "has been to build more and more service stations in this area. But NOW the station at Hamilton and Central is being demolished!"

That is true.

This week nothing remained of the former gas station that was located on the northwest corner of Hamilton and Central.

But the lot was still there.

And, after all, only three stations are at that intersection now.

-0-

CAMPBELL'S ROTARY CLUB'S civic project of putting out 28 trees in redwood tubs on Campbell Ave., we consider to be one of the most worthwhile beautifying programs for that street ever undertaken by any civic group in this community.

True, Campbell Ave. some day will be widened and improved. So, at that time the trees can be planted permanently in the ground.

In the meantime the street will be tree-lined through the efforts of the Rotary Club.

We commend Al Smith, club president, and Bud Allen, project chairman, and all the Rotarians for this excellent job. The 28 redwood tubs were built by club members on weekends.

-0-

INCIDENTALLY, Al told us that the trees that were picked were developed particularly

MORE ABOUT

School trustees

(Continued from page 1)

the past 15 years, and William L. Murphy, of 14942 Larga Vista, Los Gatos, who has served for eight years, are the incumbents.

Mrs. Miriam R. Resnick, of 1690 Cabana Drive, is the other candidate.

Arends, president and manager of the Campbell Lumber Co., is a graduate of San Jose State where he was president of the student body and has also served as president of the alumni association and of the Campbell Rotary. He and his wife, Betty, have a son in Camden High and a daughter in the Ida Price Intermediate School.

Arends emphasizes the importance of operating an efficient educational program which he points out is reflected in the efficient operation of the high school district. He is particularly interested in a program that meets the needs of all students which would include vocational training.

Murphy is a product of the area. He has served on the board for eight years, having been graduated from both the Union School and Campbell High.

He developed his 55-acre apricot orchard after first clearing the land and has been active in aiding youth groups.

He and his wife Frances, have two sons, both graduates of Campbell High. His wife, who also grew up in the same area, was a teacher for 17 years and has also served as a member of the Union School board of Trustees.

OPPOSITION

Mrs. Resnick, the sole contestant for the board against the two incumbents claims that the "incumbents have grown stale in their jobs". She maintains that the district has totally changed during the past years over what it was in the "thirties."

She is the mother of three sons, two now in high school and one a recent graduate. She is a graduate of Columbia University and Northwestern and holds both a bachelor's and master's degree in public administration and political science.

Although listed as a "housewife", she notes that she is a part-time free-lance professional writer and has been active in civic affairs during her 20 years residence in the San Jose

for this type of street project. They were obtained from the Saratoga Horticulture Foundation.

Not every kind of tree, we will have you know, lends itself to both "tubbing" and regular planting.

We thought you would never ask.

The trees are called, the "John Edwards Rhamus Alaternus." AND Al spelled it for us."

area.

JUNIOR COLLEGE

In the West Valley Junior College election, Donald E. Lindstrom, incumbent, faces August R. Winsten, a civil engineer, on the ballot for area #2 (Santa Clara).

The three incumbents from area #3. (Campbell) Robert W. Brydon, William J. (Bill) Homan and Robert A. Sorensen are opposed by four other candidates, Richard D. Johnson, space researcher; Roland F. Lee, college professor; Frederick R. Long, professor; and Bernard L. Weddel CPA.

Johnson, who has a Ph.D. in chemistry from Carnegie Institute of Technology and has taught on college level, is currently a research scientist in life science at the Ames Research Center for NASA.

In his campaign Johnson has stressed the need for renewed vigor in obtaining public support for the campus construction bonds. He feels that the voters have turned down the bonds three times in the past because of the board's inability to develop a plan acceptable to the public.

Johnson lives at 4547 Mossbrook Circle, San Jose.

Johnson with Lee, Long, and Winsten, have indicated by their campaign that they are running as a "team" under the theme that it is time for West Valley College to move forward.

The four incumbents urge that they should be reelected so that they can continue working for the good of the district.

Brydon, the chairman, a native of the area, served for years on the Moreland school board and is also chair-

overpass, which also has the council's endorsement, is involved in the complex question of finances.

Or to put it more simply, as one councilman has stated, just where is the money going to come from?

Primarily, however, the delegation of concerned parents on Monday night wanted to be sure that the crossing guard would remain.

Ken Sanders, 75 Hunt Way, argued that a hazard still existed at the intersection despite

man of the Campbell Community Hospital board.

Homan, a product engineer for IBM, was active in the formation of the junior college district and is also active in community affairs in the Cambrian Park area.

Sorensen, a top county administrative official, is a graduate of Occidental College and served on the college advisory board before becoming a trustee.

Lindstrom, the present clerk of the board, is a graduate in business administration from San Jose State and school and civic affairs in Santa Clara.

OTHER DISTRICTS

In contrast to the contests in the other districts in the Campbell area, Ed. Carman and William Sartorette incumbents, face no opposition in Cambrian and John W. Anderson and Mrs. Doris von Hermann, incumbents, have no opponents in Moreland.

The lone candidate for the county board of education on the ballot is Paul W. Madsen, incumbent.

the change in fence ad sidewalk. He admitted that the hazard had been more extreme, but it was still dangerous.

Others emphatically echoed Sanders' viewpoints.

Mrs. Glenn Wallae, of 12 Virginia Ave., whose property is located the offending fence and sidewalk that had previously blocked the view of the intersection, maintained the hazard still existed. And she said she should know. She lives by it.

She added that, if the crossing guard was to be removed, she wanted her fence and sidewalk back the way they were originally. Another speaker, Mrs. Edward Boos, 29 Beverly Ct., in emphasizing the traffic hazard that exists, wanted to know whether it was the cost of the

crossing guard that was of such importance.

She also maintained that traffic signals for youngsters are not enough for safe crossing. To emphasize her point, she said that youngsters at St. Lucy's have been advised to cross Winchester at Cherry Ln., where there is a guard rather than right at the school where Budd is signalized.

GRADUATES

Marine Private Gary R. Ralph, son of Mr. and Mrs. Ernest H. Ralph of 1442 Sheffield Ave., Campbell, was recently graduated from eight weeks of recruit training at the Marine Corps Recruit Depot in San Diego.

Our Town

By Grace Hebard

Did you know that the DALE MURRAY'S of Superior Dr. enjoyed a quick trip to New York over the Easter Holidays as the result of winning a contest at one of our local markets.

That MINNIE SNYDER who fell and broke her knee recently, is confined to a convalescent hospital, BEVERLY MANOR off Lark Ave in Los Gatos.

That ADRIAN ROSENTHAL, 1470 E. Campbell Ave., and LORETTA YOUNG of 215

Anthony Dr., are among the 30 students from Santa Clara County who are on the San Francisco State College Honor List for the past fall semester.

That CATHE PARKER of 84 Herbert Ln., will play the piano in the fifth annual Santa Clara County Junior Music Festival on April 16 at the Rosierucian Center.

JOHN BUZZETTA of 185 Rex Circle, a student at Campbell Grammar School, came home from Sacramento this week with two trophies, plaques and other honors awarded by the Northern California Division of Tops Clubs of California, Inc.

The boy, who has won his fight to keep his weight down by losing 18 lbs., is the grandson of Mr. and Mrs. T.O. Bohn.

DAVE RIBBLE, proprietor of Ribble's Stationery in downtown Campbell, will be "out of circulation" for several months. He is recuperating from recent surgery at San Jose Hospital. MRS. CURHELMSTROM (FRANCES MOORE) who until recently has been residing in New Jersey, is visiting with her parents, The RAY MOORES of 430 Harrison Ave., but will soon join her husband in Germany, where he is stationed with the US Army.

DOLORES MILLFELT, whose name was inadvertently left off the list of performers, presented two piano pieces at the recital given by students of VIRGINIA RUTHERFORD last Sunday at Sherman & Clay Music Store. PTA representatives from this area are touring the State Capitol and will attend legislative sessions tomorrow. They have chartered a bus and will leave from the San Jose Civic Center at 8 a.m.

DR. ALLEN REITER 1428 Cronwell Drive, has been named a speaker for the Spring Joint Computer Conference to be held in Atlantic City, N.J., on April 18-20. He is a research scientist for Lockheed.

Westmont PTA to hear talks on narcotics

"Search for Kicks" will be presented by the Westmont PTA, tonight (April 12) at 8 p.m. in the cafetorium. Three guest speakers will frankly discuss the problems of narcotics that have arisen in our society.

The following speakers will be introduced by Mr. Hal Sonntag, dean of boys at Westmont.

Sam Hanson, a San Jose newspaper reporter whose series on L.S.D. and Drugs was very informative, will discuss how he became aware of the problems in Santa Clara County high schools.

He will tell how young people get started in the use of drugs, where they are obtained and what parents, teachers, and students can do about this grave problem.

Phil Phillips, a former addict, will discuss the change from one drug to another, his arrests, convictions and confinements. He will also tell the effect this had on his life, his family and friends.

The third speaker, Sgt. Larry Stuefloten, San Jose Police Department, Narcotics Division, will speak on the legal implications of being convicted of a felony. Sgt. Stuefloten will try to point out the physiological effect of narcotics.

At the end of the discussion a question-answer period will be held.

Davis chief holds reunion

A top-level reunion of Campbell High School graduates will take place on Friday noon on the Davis campus of the University of California.

Host for the event is Emil M. Mrak, chancellor of the Davis campus and himself a graduate of Campbell High School. He has invited Campbell graduates now at the University at Davis to his home for lunch, together with Laurence J. Hill, superintendent, Campbell Union High School District, and Robert Culp, principal of Campbell High School.

David Buck to wed Los Altos girl

LINDA GROSS and DAVID A. BUCK

Mr. and Mrs. Stanley W. Gross of Los Altos announce the engagement of their daughter, Linda, to David Allen Buck, son of Mrs. Evelyn Buck and the late Earl C. Buck of Campbell.

Linda, a sophomore at University of the Pacific, revealed the romantic news to her Delta Delta Delta sorority sisters, at a traditional candlelight ceremony. A family dinner party at her parents home also announced the news to relatives.

David is a graduate of Campbell High School and University of the Pacific. A violinist, David has been granted a scholarship by the Rockefeller Foundation to continue his studies toward a master's degree in music at Washington University in Seattle. He is a member of Phi Kappa Tau fraternity.

The young couple plan a September wedding and will both enroll at Washington University in the fall.

State prexy pays visit to Ada Rebekahs

Mrs. Marie Cannon, California Rebekah Assembly president, made her official visit to the local Ada Rebekah Lodge No. 223, accompanied by Mrs. Aline Swanson, Rebekah Assembly musician. Other dignitaries escorted and introduced were Mes. Pearl Brent, Rebekah Assembly; secretary; Nell Merten, past president Rebekah Assembly; Laurence Faulkner, Past Grand Chief Patriarch; Harvie Aldridge, Grand musician; Dorothy LaRocca, color bearer, Ladies En-

campment Auxiliary; Olive Russell, district deputy president; and Theta Rho advisors; Noble Grands and Vic Grands.

The president spoke on the functions of the Children's Home in Gilroy and the issues to be presented to the members when Assembly convenes May 14-19 in San Diego. She urged all lodges to send their quota of delegates.

The Orchard City Grange hall and banquet room was beautifully decorated with spring flowers. A vocal solo was sung by Monte Estabrook and the president was presented a

miniature basket of flowers and a monetary gift from the lodge.

Refreshments were served to approximately 90 members and guests. Mrs. DuBois Rhine was chairman of the evening, assisted by the past Noble Grands Club.

The next meeting on Tuesday, April 18, will be "April Fun" Night. The festivities will begin at 8 p.m. at Orchard City Grange Hall.

County Library sponsors books and authors luncheon

Reservations may be made until April 17 for the eighth annual Books and Authors Luncheon sponsored by the Santa Clara County Library.

The event will be held at the San Jose Country Club, 15571 Alum Rock Ave., San Jose, on Thursday, at 12:30 p.m., April 20. Reservations may be made at the Campbell Library. Tickets are \$3.

The luncheon will feature talks by authors and illustrators. Guest speaker will be Miss Gina Cerminara, author of Many Mansions.

A FAVORITE--This beautiful painting "Mary and The Christ Child" painted by Mrs. Marguerite Davis of Campbell, was voted a popular favorite by the parishioners of St.

Lawrence Episcopal Church where it is on display with others from the Campbell Artists' Guild this month.

The work of local

artists may be seen at the Church "Community Gallery" at 65 W. Rincon Ave. Monday through Friday during April, from 9 to 12 a.m.

Job's Daughters initiate seven

Campbell's rapidly growing Job's Daughters Bethel 174 has added seven new members to its roster. Initiation was held at the Orchard City Grange Hall under the leadership of Honored Queen Lynette Long and Guardian, Mrs. Marjory Woods.

The initiates are Caryl Bittinger, Caryn Bittinger, Tamara Brady, Susan Cocking, Kathy Grove, Susan Mitchell and Susan Shadle.

Job's Daughters cont'd Following the ceremony the girls and their parents were officially welcomed with a specially decorated cake and other refreshments.

RUMMAGE SALE Episcopal Church women of St. Francis are conducting a rummage sale in the parish hall at Newport and Pine Ave., April 13, from 1 to 9 p.m. and April 14, from 9 to 5 p.m.

Artists' Guild will install

The Campbell Artists' Guild is back home again after meeting out of town for the past year. They will be celebrating their second birthday at the Community Gallery of the St. Lawrence Episcopal Church, 65 W. Rincon Ave., Campbell.

Woman's Society plans program

The Woman's Society of Christian Service of the Campbell First Methodist Church will meet Thursday, April 13, at 9:30 a.m. in the Fireside Room.

The program, "Dialogue With A Difference" will be led by Mrs. William McNeely.

Members will be involved in conversation groups with members of Temple Beth David, Cupertino; Sunnyhills Methodist Church, Milpitas; Buddhist Temple, San Jose and Kingdom Hall, San Jose.

Mrs. Howell Lowe will lead the devotional after which luncheon will be served by members of Esther Laird Circle.

The meetings will be the second Thursday of each month, the next one being April 13, at 7:30 p.m. The Guild expressed appreciation to Rev. Alfred Carson for making this move possible.

Installation of new officers will take place at this time. Those elected are: Carley Owen, president; Gilda Kabbani, vice-president; June Swanson, secretary; Olivia Kennedy, treasurer; Marian Marsh, membership; Jacqueline Flitcraft, hospitality; and Wreatha Tollefson, assisted by Jean Shuler, publicity; Dorothy Mitchell, Mary Petrey, Bettie Adams, Exhibits.

CAMPBELL HIGH A Spaghetti Dinner, co-sponsored by students and the PTA of Campbell High School, is scheduled for 6 p.m. Wednesday, April 12 in the school cafeteria.

Purpose is to raise funds to furnish the dining room being used by the school's Home Economics Department. Parents will prepare the dinner and Home Economic students will serve it, according to Robert Culp, principal.

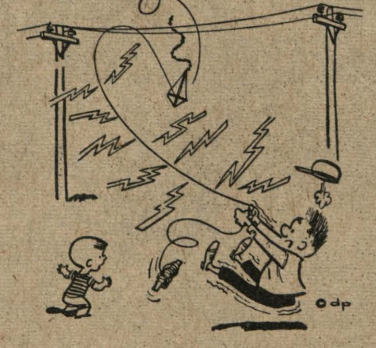

CASTRO JR. HIGH "The Great Tuis-sant" will be presented at Castro Junior High School on April 14, 8 to 9:30 p.m., in the cafetorium.

"The Great Tuis-sant" is a magician, and his magic shows provide entertainment for all ages.

Tickets may be purchased at the school office during the school day or at the door on the night of the performance.

This is a Parents and Teachers Association sponsored attraction, and the proceeds will go toward their school projects.

by RUSS LONG

"Search for Kicks", Westmont P.T.A.'s last panel discussion and meeting for the year will be presented April 12 at 8 p.m. in the cafeteria.

San Jose's Police Department Narcotics Division will be represented by Sergeant Larry Stuefloten, speaking on the "Legal implications of narcotics use in the Santa Clara Valley". Sam Hanson, San Jose newspaper reporter who has written a series of articles on this subject, will contribute his views on "Narcotic problems with school children."

Phil Phillips, a former drug addict who represents CODA, the Council on Drug Abuse, will relate his experience as a drug user. Hal Sonntag, boy's dean at Westmont, will moderate the discussion. A question and answer period will follow the panels presentation.

Today was Student Government Day and all School Dress-up day. Members of the Student Council took over school-administrative positions and then were treated to lunch at the Sveeden House on Campbell Ave.

Student Body President Scott Porter acted as principal; Hal Herkenhoff became Director of Education; Gretchen Stolle, Senior Counselor; Anders Framme, Junior Counselor; Marianne Gregory, Girl's Dean; Dick Stephenson, Boy's Dean; Fran Lewis, Director of Activities; Sharon Rooks, Librarian; Winnie Yabe, Sophomore Counselor and Rick Liddell, Freshman Counselor.

Tomorrow afternoon Varsity and Frosh/Soph baseball take on Leigh at 3:30. Varsity is at home, while Frosh/Soph is away.

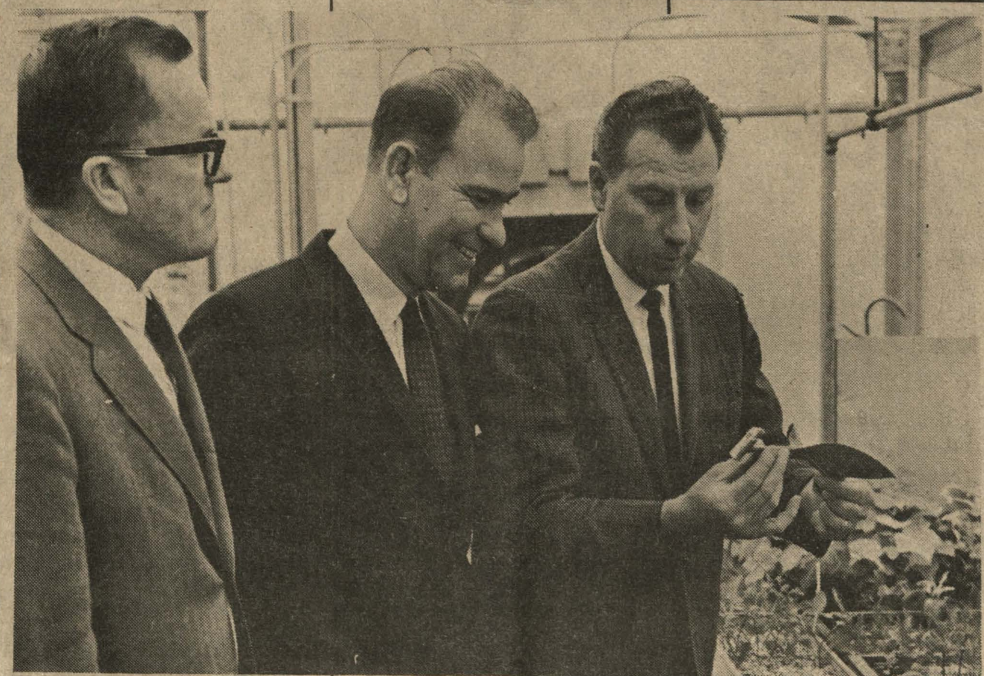

Tennis also goes against Leigh for a home match at 3:30. Westmont's number one man, Tom Sutton, is expected not only to win the match tomorrow, but also to take league championships.

Friday afternoon the swimming and track teams will pit their skills against Leigh's Longhorns. Swimming is away, and the cinder

events are at home. Friday night, the annual American Field Service Hootenanny starts at 8 p.m. in the cafeteria. Various folk groups will present their acts for approval by the audience. AFS presents the Hootenanny to help meet expenses for a foreign exchange student.

IN BATTLE

Lieutenant (Junior Grade) Steven K. Gibbs, USNR, son of Mr. and Mrs. W. S. Gibbs of 1345 Arroyo Seco Drive, Campbell, participated in a ship-to-shore gun-fire battle off the coast of North Vietnam, as a crewmember of the U. S. Seventh Fleet destroyer Alfred A. Cunningham.

State extends tax deadline

All permanent offices of the Franchise Tax Board will remain open until 5:30 p.m. April 17 to assist last minute taxpayers with any problems according to M. C. Johnson, manager of the San Jose office of the Franchise Tax Board.

The filing deadline this year has been extended to April 17 because April 15 falls on a Saturday, he said. Therefore, taxpayers have until midnight April 17 to get their returns in the mail.

Taxpayers needing assistance in filing their returns should contact the San Jose office at 555 N. First St., prior to 5:30 p.m. April 17.

Returns should be signed, have the social security number on them, and be mailed with the entire amount of the tax due to the Franchise Tax Board.

Campbell Crier

by DAVE TURNER

The third quarter is now over for Campbell High students, and the fourth is officially underway.

For Seniors this is the beginning of the end; for Juniors, the threshold of all the power and prestige that goes along with being a Senior; Sophomores are looking forward to becoming upperclassmen; and for Freshmen, its like the dawn coming on since anything is better than being a lowly Freshman.

In an effort to increase school spirit, the Student Council has enacted a measure organizing an Interclass Spirit Contest.

Masterminded by former Student Body President Jim Chamberlain, the contest sets up six

specific areas in which the classes will be competing for the remainder of this semester.

With \$50 in prize money and a large, handsome trophy at stake, the four classes will wage battle over ideas for school improvement, clean campus, a special showcase display, voter turnout at the final Student Body election, attendance at Student Council meetings, and the traditional Rally Day.

The contest is to be judged by Student Council and administration members and winners will be announced near the end of May.

A swimming victory over Del Mar and a Saturday baseball win over Buchser by the Soph-Frosh team were the only sporting events last week, as wet weather woes once again hampered the other teams and prevented their playing.

Weather permitting, this week's full schedule will consist of Varsity baseball and tennis at Saratoga Thursday, Soph-Frosh baseball at home with Saratoga that same day, a swim meet at Saratoga Friday, and a track meet at home against Saratoga, also on Friday.

The schedule continues next Tuesday, April 18th, with Varsity baseball and tennis meeting their arch-rivals from across town, the Westmont Warriors. All events will begin promptly at 3:30 p.m.

Masons honor public schools

Since the founding of Public Schools Week 50 years ago by Grand Master Charles A. Adams, California Masonic Lodges have set aside the last week in April for Public Schools Week.

The local program will be held Tuesday April 25, from 8 to 10 p.m. in the Campbell High School auditorium. The program planned will be one of interest to all age groups and it

is hoped that there will be a large attendance.

The three local Masonic Lodges, Charity, Tut and Los Gatos are lining up good talent to make an interesting evening. Refreshments will be served in the Campbell High School cafeteria following the program.

G.B. Shaw play to be presented at W.V. College

"Don Juan in Hell" by George Bernard Shaw will be presented at 8:15 p.m. Thursday, April 13 at the West Valley College auditorium, 51 E. Campbell Ave., Campbell, by the college's Office of Community Services. Admission is free.

Hitherto considered the "unplayable" third act of Shaw's monumental "Man and Superman", the segment became a theatrical hit a year after Shaw's death when it was presented on Broadway.

It is a two-hour discourse on "science, sex, religion, music, procreation, politics, war, salvation, the life-force, humanity's criminal stupidity, in contrast to the high potential of man".

The show is presented by the Ensemble Theater, and Don Juan is portrayed by Philip Schultz. Donna Anna de Uloa is played by Valerie School, Ray Barrett is the Commander and Larry Strawbridge is the Devil.

Sports banquet features coach from Pacific

Dick Edwards, head basketball coach at University of the Pacific, was guest speaker at Thursday night's West Valley College Winter Sports Banquet held in the college-faculty lounge.

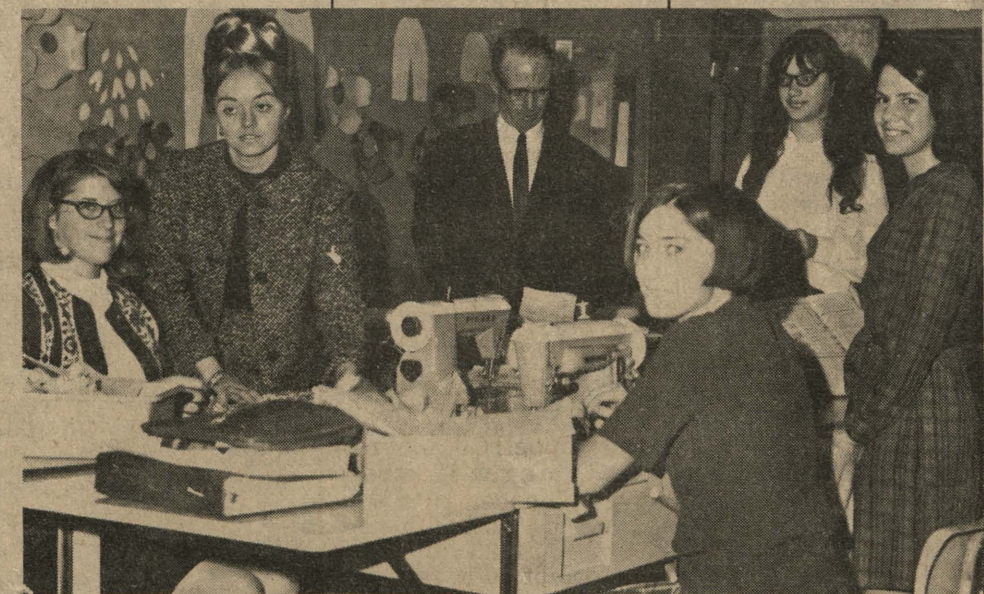

"One real, true way you can judge performance of an athlete is effort, the old-fashioned idea of doing your best," stated Edwards. "I do believe great things can be accomplished through determination and effort. My compliments to you athletes and coaches."

Dick Edwards, who has been named coach of the year for the last two years, coached his team to victory in the West Coast Athletic Conference Championship this season.

Basketball Coach Bert Barnett proceeded with the presentation of awards. Campbell students to receive recognition were: Greg Carlsted, Westmont; Ed Thompson, trophy-winner for most inspirational player, Del Mar; Doug Bowser and Bill Fryckman, Blackford, and Jim White, member of the all-conference team, also from Blackford.

Bob Sutter, wrestling coach, presented to the following wrestlers; Bob Nesbitt Blackford; Larry Ringsted, 3rd in coast conference, Leigh; and Ron Taylor, 5th in state, 1st in coast conference and 2nd in Northern California Junior College Championship, Camden.

In 1765, the University of Pennsylvania established the first medical college in this country.

cutting of a rubber plant being propagated, as part of the district's display for Public Schools Week.

Looking on with interest are (left) Warren

Conrad, Westmont principal, and Emerson (Doc) Arends, chairman, Board of Trustees, Campbell Union High School District.

Jr. Gardeners work with colored glass and resins

There was no fooling on April 1 for the members of the Junior Garden Clubs in the Santa Clara Valley District of California Garden Clubs. First on the schedule was a tour of Hogan's Stained Glass Studio, 513 Monterey Ave. in Los Gatos. "Many of our Juniors have been doing beautiful work with colored glass and resins," said Mrs. Joseph Aversente, the District's advisor. "Now they want to know all they can about glass art."

Study Hours (all age groups) 9:20, 11:20

Members from the 11 local junior clubs were joined by the Campbell High School Camp-Belles, the first Junior Garden Club to be chartered by the state organization. Boys' groups as well as girls', are now taking part in Junior Garden Clubs. Junior Garden Clubs are patterned after the senior clubs, with emphasis on conservation and horticulture. Studying landscaping and horticulture paid off for the Junior Camp-Belles when they took

second prize for their County Fair Garden last fall. They were competing against adults, so it was a great honor. Many juniors find their greatest interest is in flower arranging and working with pods and cones. In the recent standard flower show at Kelley Park, two achievement awards were made, in recognition of a high degree of quality, by national standards. Lynn Denman, of the Blossom Valley Bloomers, received an achievement award for her flower arrangement that also took "Best of Show--Artistic Division." An achievement award was also given to Wes Douglas of The Happy Harvesters, sponsored by Las Jardineras Garden Club, for his "Best of Show--Horticulture Division" entry. Anyone interested in joining an established club or forming a new group should call Mrs. Aversente, 378-4111.

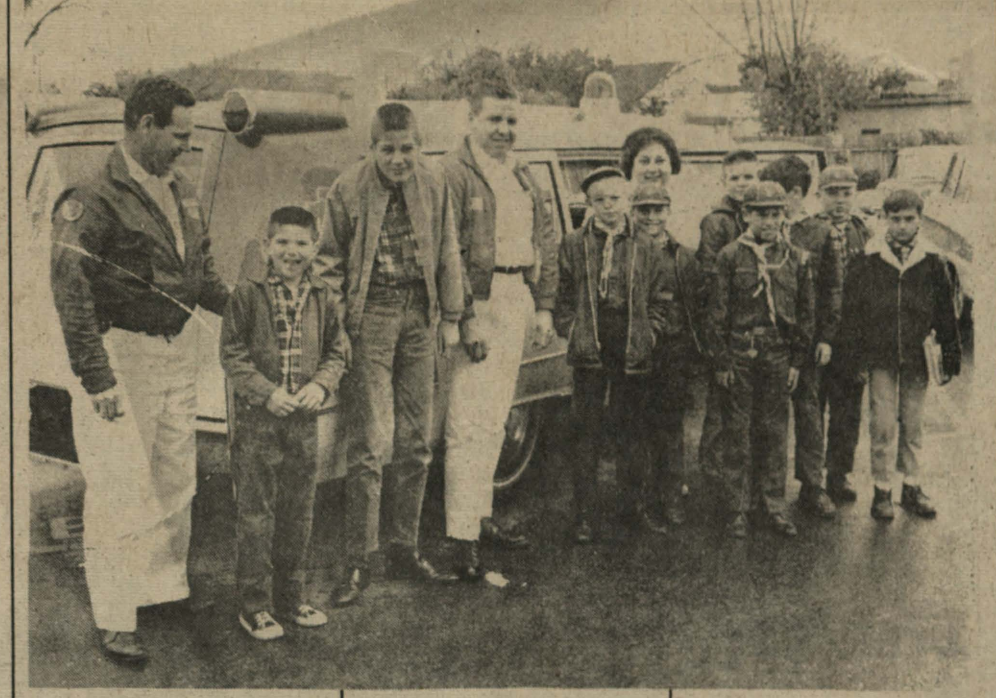

ENJOY LUNCHEON-- These Junior Gardeners, sponsored by Campbell Garden Club, get together for lunch after touring Hogan's Glass Art Studio in Los Gatos, and collecting wild flowers. In the foreground can be seen (left to right) Barbara Strauss, Michelle Hiener and Jeanette Hiener.

RAIN DROPS
Rain, snow, hail and more rain was the order of the week with more coming. During the week 1.96 inches of rain fell in one form or another bringing the total rain for the year to 22.99 inches as of 8 a.m. Tuesday. Last year on the same date 11.70 inches had been recorded with 13.48 inches as normal. Total last year reached the scant measurement of 12.03 inches with Mother Nature apparently trying to make it up this year.

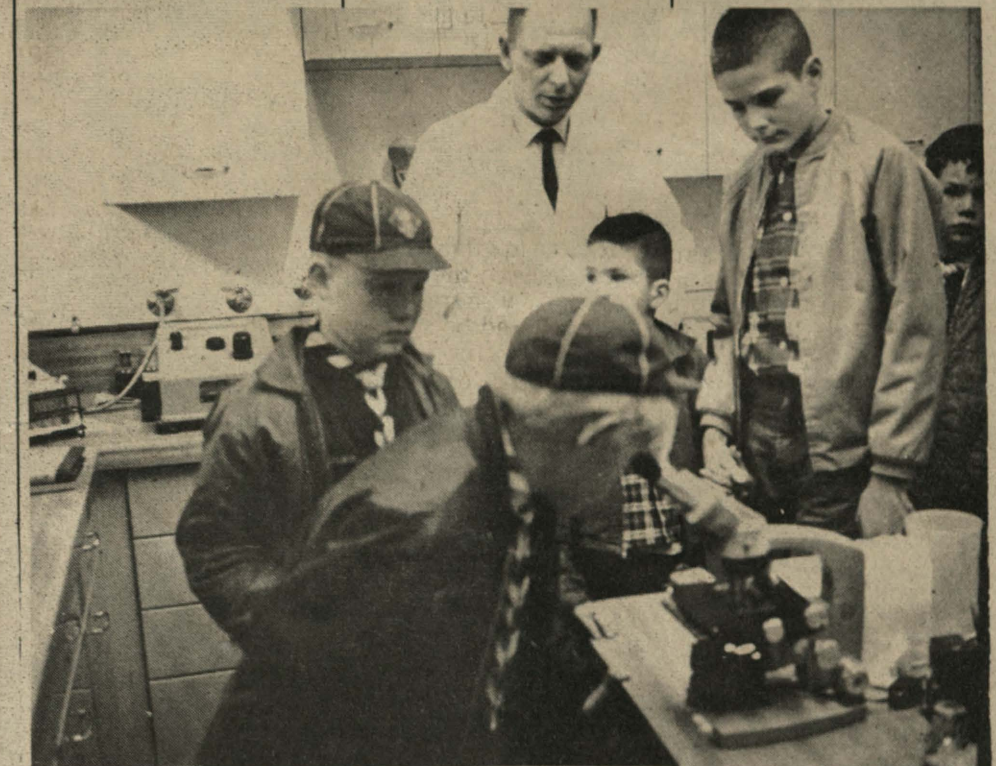

Advertising in this publication MUST pay dividends... just look at the reliable people who have done it for years...

HOSPITAL TOUR-- Cub Scout Pack No. 336 from Monroe School was taken on a tour of Campbell Community Hospital recently. Ambulance drivers, H.L. DeKruyff and H.G. Zausch show the interior of the ambulance to the Cubs.

VISITORS TO LAB-- Blood plasma is examined by Cub Scouts John and Jim Quilici of Cub Scout Pack 336. David Hargens of the Campbell Hospital Laboratory explains the process to the boys.

Office plans go to commission
Application for approval of plans for a professional office building at 1262 E. Hamilton Ave., submitted by King Associates will be before the Planning Commission next Monday, April 17, at 8 p.m. The building was originally approved by the Planning Commission in May, 1965 but never constructed. The City Council granted the firm an extension of time, until Sept. 1, 1966, for use of an existing residential building as a realty office. That use has now been abandoned and the applicant is again seeking approval of plans. Up for approval also at the commission meeting will be the plans for a "Der Wienerschnitzel" restaurant at Fewtrell and Bascom.

C. of C drive starts April 24
Campbell Chamber of Commerce members will concentrate on a membership drive April 24-28 for which a goal of 50 new members has been set, according to Al LaPlante, drive chairman. One of the features of the membership drive will be the monthly luncheon meeting of the Chamber of Commerce at Fedor's in Campbell on Thursday, April 27, when new members will be guests. The drive will begin on Monday, April 24, with a continental breakfast in the conference room of the C. of C. when LaPlante, as chief "ambassador" will outline the plans for the drive and issue ambassador kits.

Cub Scouts tour hospital

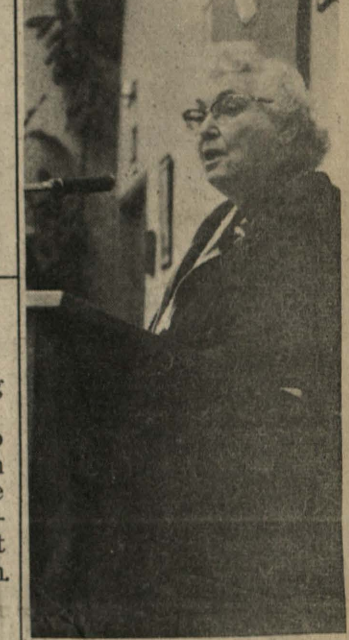

Campbell Hospital Women's Auxiliary is conducting tours of the hospital for interested groups, according to Mrs. Sidney Hammer, a volunteer worker at the hospital. Children's groups, including Girls Scouts, Boy Scouts, Camp Fire Girls, Sunday school groups, etc., are welcome to call Mrs. Hammer at 248-6924 for more information.

This is one of the public services offered by the Women's Auxiliary at the hospital.

The latest organization to tour the hospital was Cub Scout Pack No. 336 from Monroe School. They visited the hospital's laboratory, pediatrics department, x-ray room, operating room and emergency department. The boys also viewed the interior of the ambulances.

Boys participating in the tour included Joe Robinson, Joe Quilici, Joe Bommarito, Richard Zondervan, David Fuffiller, Barry Gotheimer, Paul Trisini, John Quilici and Jim Quilici.

\$\$\$

BUT IT'S ONLY MONEY-- When the City Council finance committee (Smeed, Doetsch, Hyde) recommended Monday night that on July 1 the Campbell branch of Bank of America be used for payroll services and general fund deposits, MRS. VELMA OLDS (above), city treasurer, took the floor to emphasize that it was her prerogative to take such fiscal actions and not the council's.

Because she had not been at the committee meeting she had not been aware of the new proposal, she pointed out. However, after considerable discussion, involving the historical background of the city's finances, Mrs. Olds approved the new plan, what was then adopted by the council and also includes Wells Fargo being used for the time deposits that pay the city interest.

Harry Lind, manager of First Valley Bank which now has all city funds, protested the change. He pointed out that First Valley got the city account because it had offered the highest interest rates for time deposits and he wanted to know why the change was being made.

Obituaries
Rites held for
drowning victim

Daniel Ray Parker, III, two-year old son of Mr. and Mrs. Dan R. Parker of 786 Jean Drive, passed away Monday, April 3 at 10:10 p.m. in the Los Gatos Community Hospital.

The little boy was found in the swimming pool at the apartment address, and was rushed to the hospital following resuscitation attempts by Dell Allen of the same address.

Campbell police and fire personnel responded to the rescue call. The tot had apparently ridden his trike into the pool and was without oxygen for a critical time before being discovered. Funeral services were held from West Valley Chapel, Los Gatos. Rev. Ronald Mathews of Trinity Southern Baptist Church of Santa Clara, officiated. Internment was in Los Gatos Memorial Park. The little boy was the grandson of Mr. and Mrs. Lorneal Dunning of Campbell and Mr. and Mrs. Claude Koontz of Los Gatos.

T. A. CUTTING

Theodore A. Cutting, 85, former Campbell High School teacher, died at Kaiser Hospital in Oakland, following surgery, late in January. Cutting lived many years in Campbell and was a past president of Kiwanis Club. Following his retirement he lived in Hawaii. Survivors include his wife, Mrs. Mae Cutting, and two sons, Dr. Cecil Cutting, of Kaiser Hospital, Oakland, and Dr. Windsor Cutting, University of Hawaii, both Campbell High graduates. Another brother, Carl B. Cutting, resides in Los Gatos. Another brother, Frank Cutting, a well-known Campbell artist, died three years ago. He is also survived by numerous grandchildren. Burial was in Hawaii.

The family lived for many years in Campbell and resided on Central Ave. Cutting was a member of the Congregational church of Campbell where a memorial fund has been established in his name.

JOSEPH D. HASSLER

Last rites were held from Campbell Memorial Chapel this week for Joseph David Hassler, 75, a resident of the Campbell area for 40 years. Rev. Thomas F. Murray officiated.

Hassler, who resided at 2025 Olive Ave., San Jose, is survived by his wife, Mrs. Theresa Hassler, and six children, Mrs. Lorraine Kelly of Santa Clara; Raymond J. Hassler of Los Angeles; William D. Hassler of San Jose; Rupert V. Hassler, San Jose; Charles E. Hassler of Los Angeles and George J. Hassler of San Jose. He was a native of Almaden, California.

Jaycees plan

1 YEAR AGO

Eliminating "eyesores" that detract from the appearance of the city will be one of the main goals of the first annual "Campbell Clean-up Crusade," according to Councilman Ed Rogers, chairman of the City Council beautification committee that is coordinating this program.

Interest in next Tuesday's voting has centered upon the advisory

question on fluoridation of water rather than on the candidates whose names appear on the ballot.

What improvements should be made to the "temporary" Campbell West Valley College site and whether it should be made a permanent part of the overall campus program will probably be part of the report of the Citizens Advisory Committee to the district trustees.

ees.

5 YEARS AGO

The City of Campbell last Wednesday observed the anniversary of its 10th year as an incorporated city with a large birthday cake which was shared by city officials and past mayors.

Mary Oster, daughter of Mrs. Catherine Oster, placed first in the State of California recently in a contest sponsored by the United Nations, whereby high school students submitted a written essay on the present day problems of the United Nations and the history of the organization.

zation.

A thief without a conscience was at work Sunday when the car, belonging to the Rev. Richard Sherman, was looted while the minister was addressing the congregation of the Campbell Baptist church, and a camera valued at \$385 was removed.

10 YEARS AGO

A veteran bicycle rider of this community who admits to having pedaled 100,000 miles or more, was grounded this week. And he didn't like it. Judge John D. Blaine, columnist

for The Campbell Press, and long-time former local justice of peace, is confined to his home this week because of a badly swollen foot.

Sue Koester, Campbell High School senior, has been selected Campbell district winner of a national essay contest on "America's Crusade for Free Men's Rights" being conducted by the Women's Auxiliary of Foreign Wars. She will receive a cash reward and a bronze medal.

The state assembly has voted 67-0 for a bill

which would outlaw the sale or concealment of switchblade knives with a blade more than two inches long.

15 YEARS AGO

The first formal meeting of the Campbell City Council was held last Monday, during which Richard W. Morton was elected as the first Mayor of Campbell and Joseph Bonacina of Los Gatos was appointed first city attorney.

Richard W. Morton, new mayor of Campbell, has arranged for continued police protection for the city from the sheriff's office as suggested by the city council at their meeting Monday evening.

gested by the city council at their meeting Monday evening.

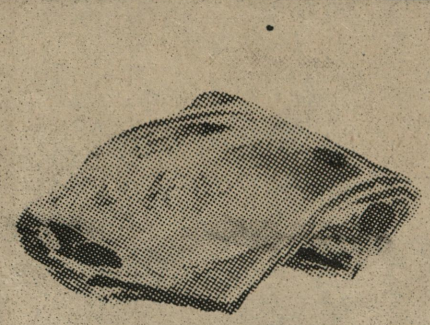

New principals for three of Campbell's new elementary schools were announced at a district teachers' meeting last night. Neal Royer, new vice-principal at Campbell, has been appointed principal of Rosemary. Cypress School principal is Ernest Rideout, currently teaching in Gardner School, San Jose. Mrs. Dorothy Main, now teaching at

M. R. Trace School in San Jose, will be principal of Quito School.

Science Fair is outstanding success; exhibits on display

Approximately 215 science projects prepared by 4th through 8th grade students in the Campbell Union School District were displayed at the 10th annual Science Fair held at Rolling Hills School April first.

Thirty outstanding projects were awarded first, second and third place ribbons by Chief of Police John D. Morgan. Ted Sedgewick, a member of the board of trustees, set the

stage for the presentations and introduced Chief Morgan. This year a colored sound movie, "Sights and Sounds" was made of the Science Fair. It is 30 minutes long and features interviews with children and parents involved in the fair. The movie will be shown at the schools in the near future.

The West Valley Historical Society Museum at 272 E. Campbell Ave. will arrange a public

display of the winning projects for the month of April. Interested groups in the community may call Miss Jean Gomes at 378-4145 for special tours. Art Ring is Science Consultant for the Campbell Union School District.

Winners in the 1967 Science Fair were Russell Williams, Lynhaven School, "The Human Eye"; Morgan Magid, Marshall Lane, "Parts of the Eye and How They Work"; Toni Thompson, Rosemary School, "The Heart"; Marc Rush, Marshall Lane, "What Is A Possibility?"; Tim Wright,

Moorpark, "Loud Speakers"; David Devine, Forest Hills, "Electronic Organ".

Susan Bailey, Quito, "The Cavy"; Steve Austin, Sherman Oaks, "The Human Ear"; Cheryl Russel, Dover, "Silk Worms"; Bill Reese, Parkway, "Color Blindness"; Mary Kay Gilliland, Castlemont, "Energy Cycle"; Brian Pace, Forest Hill, "Laser".

Bob Schoenberger, Castlemont, "Sound and Hearing"; Joe Canepa, Sherman Oaks, "Anatomy of the Eye"; Steve Kihara, Cypress,

"Fertile Chickens"; John Dell, Lynhaven, "Photoelectric Cell"; Mark Lansing, Dover, "Astronomy"; Phil Collins, Rolling Hills, "Oil and Petroleum".

Steve Stewart, Campbell, "Plant Growth"; Colleen Zelmar, Campbell, "Animals Underwater"; Brett Wilson, Rolling Hills, "Should I Smoke"; Drew Lucas, Campbell, "Heat Absorption"; Gary Wydant, Rolling Hills, "4-Cycle Engine"; Robert Atkinson, Monroe, "Uranus"; Robert Bruce, Campbell, "Radiation"; Rob Franks, Monroe, "Hydroponics"; Judy Tiff-

any, Campbell, "The Wonderful Egg"; Duane Rittig, Blackford, "Computer Logic"; Eliot Kalman, Rolling Hills, "Solar Energy" and Deborah Schroter, Blackford, "Linear Accelerator." A large number of students were also given honorable mention.

Workmen's Compensation
NEW YORK—The premiums on workmen's compensation insurance in the United States rose above the \$2 billion mark for the first time in 1965. Last year's total of \$2.03 billion was about double the figure for 1954, according to the Insurance Information Institute.

Letters to the Editor

HISTORY DAY
Dear Mr. Vierhus:
With regards to your column, "Out on the Limb" in March 29 edition, you commented on the possibility of Campbell having a "History Day".

There are many people who really like Campbell, my family being among those, and we are interested in encouraging this idea of History Day. You may recall a few

weeks ago an article printed in your paper inviting artists to participate in the first West Valley Historical Society Art Exhibit coming in June.

Those of us who classify ourselves as artists who are members of the Campbell Artists Guild, students (adult) in Mrs. Judy Howland's daytime art classes under the Adult Education program here in Campbell are very busy hunting places in Campbell of historical interest and painting pictures having to do with Campbell as it was at least 50 years ago as well as today.

Many of us in these classes are keenly interested in developing some program with Campbell the heart of it. We'll try to do this with our pictures.

Since this Art Exhibit will be on during the month of June, perhaps "History Day" could be set for sometime during that month.

Our paintings will be on display at the Community Gallery (St. Lawrence Episcopal Church), the Museum (in the woman's club), the library, Bank of America, and First Very Sincerely, Regina (Mrs. Floyd) Greenleaf 1035 West Parr Ave. Campbell

THANK YOU NOTE

Gentlemen:
Our Parents and Teachers Association would like to thank you for the publicity of March 29 about our PTA meeting on Thursday, March 30, on the problem of drug abuse.

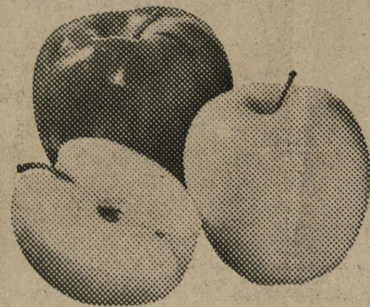

We were quite surprised and pleased at the turnout—approximately 250 people—an indication that parents are becoming increasingly aware of the narcotics problem, and we are hopeful that our program contributed at least in some part to increase their awareness.

So many people commented that they had seen the article in the Campbell Press, and I told them to be sure and tell your advertisers!!

Attached is an article about a PTA fund-raising project. We would appreciate it if this could be included in your April 12th issue—so many parents complain about the quality of so many movies being shown and the lack of entertainment suitable for their children—this might be of interest to them.

Many thanks again. Sincerely, Mrs. E. F. Tritt, President, Castro Junior High School Parents and Teachers Assoc.

LEGAL NOTICE

EXHIBIT "A"

ORDINANCE #588

BEING AN ORDINANCE OF THE CITY OF CAMPBELL REPEALING CERTAIN SECTIONS, AND ENACTING OTHER SECTIONS OF CHAPTER 3, ARTICLE IX OF THE CAMPBELL MUNICIPAL CODE, ENTITLED PLANNING AND ZONING, PROVIDING FOR THE REGULATION OF SIGNS IN ALL ZONING DISTRICTS.

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the following sections of Chapter 3, Article IX, be and the same are hereby repealed: Section 9306.2, 9306.12 (a), 9307.2, 9308.2, 9308.53, 9310.1, 9312.9, 9321, and 9326.

SECTION TWO: That the following sections be and the same are hereby enacted as part of Chapter 3, Article IX of the Campbell Municipal Code entitled Planning and Zoning:

SECTION 9301.62.1 SIGN

Any device used for the purpose of advertising, informing or identifying; and placed so as to be seen from the exterior of the building or premises on which it is located.

SECTION 9301.62.2 SIGN, OFF-SITE

A sign other than an on-site sign.

SECTION 9301.62.3 SIGN, ON-SITE

A sign relating in its subject matter to the premises on which it is located, or to products, accommodations, services, or activities on the premises.

SECTION 9301.62.4 SIGN, FREE-STANDING

A sign not attached to any portion of a building and not projecting through the roof eaves of a building, but wholly supported by a structure permanently attached to the ground.

SECTION 9306.2 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9306.12 (a) SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9306.17 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9307.2 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9308.2 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9308.25 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9308.53 DEVELOPMENT STANDARDS

The following minimum development standards are established as a guide to the Planning Commission in its administration of Section 9316 and 9328 of this Code: provided, however, the Planning Commission may make more restrictive requirements in order to assure harmony with adjacent uses of land:

- Height: Not to exceed 2-1/2 stories or 35 feet.
- Lot Coverage: Buildings within foundation lines are not to exceed twenty-five (25%) percent of the lot area.
- Yards: Front, side and rear yards to be equal to those required in the nearest adjacent residential zone.
- Off-street parking: Off-street parking and loading spaces shall be provided as required in Section 9319.
- Landscaping: Landscaping shall be provided in such a manner as to insure that the developments will be harmonious with adjacent residential areas.
- Signs: Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9309.4 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9310.1 USE

No building, structure or land shall be used and no building or structure shall be hereafter erected, structurally altered, or enlarged, except for the following uses:

- Any use permitted in a "C1" Neighborhood Commercial District.
- Retail Store or Business.
- Reserved.
- Amusement enterprises, including a billiard or pool hall, bowling alley, boxing arena, dance hall, games of skill and science, penny arcade, shoot-gallery, and the like, if conducted wholly within a completely enclosed building.
- Animal hospital or pet clinic.
- Art or antique shop.
- Auditorium.
- Automobile or trailer sales area.
- Bank.
- Baseball or football stadium.
- Baths, Turkish and the like.
- Bird Store, Pet Shop or Taxidermist.
- Business college or private schools operated as a commercial enterprise.
- Blueprinting, photostating, photo developing and printing.
- Carpenter shop (excluding cabinet or furniture manufacture) if conducted wholly within a completely enclosed building.
- Catering establishment.
- Circus, or amusement enterprise of a similar type transient in character.
- Cleaning establishment, using non-explosive and non-flammable cleaning fluid.
- Department, furniture or radio store.
- Drive-in business where persons are served in automobiles, such as a refreshment stand, restaurant, and the like.
- Equipment rental.
- Feed or fuel store.
- Film Exchange.
- Frozen food locker, excluding wholesale storage.
- Hospital or sanitarium (except animal hospital).
- Ice storage house, not more than five (5) tons capacity.
- Interior decorating store.
- Laundry.
- Medical or dental clinic and laboratory.

(30) Mortuary or funeral home.

(31) Music conservatory or music instruction.

(32) News-stand.

(33) Nursery, flower or plant, provided that all incidental equipment and supplies, including fertilizer and empty cans are kept within a building.

(34) Pawnshop.

(35) Plumbing or sheet metal shop, if conducted wholly within a completely enclosed building.

(36) Pony riding ring, without stable.

(37) Printing, lithographing or publishing.

(38) Public services, including electric distributing sub-station, fire or police station, telephone exchange and the like.

(39) Sign-painting shop, if conducted wholly within a completely enclosed building.

(40) Studio.

(41) Theatre.

(42) Tire shop operating wholly within a building.

(43) Trade school, if not objectionable due to noise, odor, vibration, or other similar causes.

(44) Upholstering shop, if conducted wholly within a completely enclosed building.

(45) Wedding chapel, rescue mission or temporary revival church.

(46) Wholesale merchandise broker, excluding wholesale storage.

(47) Other uses similar to the above as provided in Section 9318.1.

(48) The following uses are permitted if conducted wholly within an enclosed building: automobile washing; public garage (including repairing incidental body and fender work, painting and upholstery).

(49) Uses customarily incidental to any of the above uses when located on the same lot.

(50) The above uses shall be permitted only under the following conditions:

(a) There shall be no manufacture, compounding, processing or treatment of products other than that which is clearly incidental and essential to a retail store or business and where all such products are sold at retail on the premises.

(b) There shall not be more than five (5) persons engaged in the manufacture, compounding, processing or treatment of products; or in catering, cleaning, laundering, plumbing, upholstery, and the like.

(c) Such uses, operations or products shall not be objectionable due to odor, dust, smoke, noise, vibration or other similar causes.

(51) Accessory buildings when located on the same lot.

(52) Uses requiring Use Permits:

(a) Coin operated car wash, subject to compliance with the following conditions:

(1) Location, site layout, driveway access and relationship to adjoining development shall be approved by the Planning Commission.

(2) There shall be a minimum lot area of 10,000 sq. ft. and a minimum lot width of 80'.

(3) All washing facilities to be under a permanent roof and enclosed on at least two (2) sides.

(4) Vacuuming facilities may be outside building, but not in front yard unless proper screening of such area is provided; shall not be conducted in the side yard were corner lot adjoins residential area unless setback 15' from property line and properly screened; shall not be closer than 30' to any residential zone.

(5) Building surfaces shall be masonry construction with allowable trim of other suitable material approved by the Planning Commission.

(6) Car wash building shall not be less than 100' from any residential zone or residentially developed property.

(7) Building or canopies shall be not less than 15' from any street and/or property line. Where building entrance faces street and access is directly into washing stalls, the required set-back shall be 65'.

(8) On-site, off-street parking shall be provided on a basis of five (5) spaces per washing stall, three (3) of which shall be in the front yard, said spaces to be so arranged as not to create any traffic congestion off operation site.

(9) All parking areas to be paved and improved in compliance with Section 9319 of the Campbell Municipal Code.

(10) A masonry wall, or sight-obscuring fence approved by the Planning Commission, not less than five (5) nor more than six (6) feet in height shall be provided along property line which abuts any property zoned for or developed for residential purposes, except that portion of the wall which is 15' or less from the street property line, shall be 3' in height.

(11) Hours of operation to be between 7:00 a.m. and 10:00 p.m., except as otherwise determined by the Planning Commission.

(12) An "on-duty" attendant shall be present at all times during business hours.

(13) All landscaping and signs to be submitted to and approved by the Planning Commission. There shall be one (1) identification sign only.

(14) The installing of refreshment and cigarette vending machines or telephone booths and/or the sale of any other products at retail or wholesale must be ap-

proved by the Planning Commission.

SECTION 9310.8 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9311.5 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9311.65 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9312.9 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9314.6 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9315.6.1 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9315.10 SIGNS

Signs may be erected in accordance with the provisions of Sections 9330 through 9330.8.

SECTION 9321 CONFORMANCE WITH HEIGHT PROVISIONS

Except as hereinafter provided, no building or structure shall hereafter be erected or reconstructed which exceeds the height limit established for the district wherein such building or structure is located.

(a) Through Lot 150 Feet or Less in Depth:

On a through lot one hundred fifty (150) feet or less in depth, the height of a building may be measured from the adjoining curb level on either street.

(b) Through Lot More than 150 Feet in Depth:

On a through lot more than one hundred fifty (150) feet in depth, the height regulation and basis of height measurement for the street permitting the greater height shall apply to a depth of not more than one hundred (100) feet from that street.

(c) Structures Permitted Above Height

Penthouses or roof structures for the housing of elevators, stairways, tanks, ventilating fans or similar equipment required to operate and maintain the building, parapet walls, sky-lights, towers, process towers and columns, including appurtenant working structures, steeples, flagpoles, chimneys, smokestacks, wireless masts, water tanks, gas tanks, silos, or similar structures may be erected above the height limits herein prescribed, but no penthouse or roof structure, or any space above the height limit shall be allowed for the purpose of providing additional floor space.

SECTION 9326 NON-CONFORMING USE OF LAND-CONTINUATION OF USE

The non-conforming use of land (where no main building is involved) existing at the time this chapter became effective, may be continued for a period of not more than five (5) years thereafter, provided:

(a) That no such non-conforming use of land shall in any way be expanded or extended on the same or adjoining property.

(b) That if such non-conforming use of land or any portion thereof is discontinued or changed, any future use of land shall be in conformity with the provisions of this chapter.

SECTION 9330 SIGN REGULATION

The purpose of Sections 9330 through 9330.8 is to promote the public safety, convenience, health and general welfare of the citizens of the City of Campbell by regulating the location, number and design of signs. These regulations shall apply to all zoning districts in addition to any specific provisions in the applicable zoning district regulations.

SECTION 9330.1 NUMBER AND SURFACE AREA OF SIGNS

For the purpose of determining the number of signs, the sign shall be considered to be a single display device containing elements organized, related, and composed to form a unit. Where matter is displayed in a random manner without organized relationship of elements, or where there is reasonable doubt about the relationship of elements, each element shall be considered to be a single sign.

The surface area of a sign shall be computed as including the entire area within a regular geometric form or combinations of regular geometric forms comprising all of the display area of the sign and including all of the elements of the matter displayed. Frames and structural members not bearing advertising matter shall not be included in computation of surface area. When the size of a sign is regulated, the regulation refers to one display surface only. On a sign having more than one display surface, each display surface may equal the maximum dimensions prescribed in the regulation unless otherwise specifically provided.

SECTION 9330.2 EXEMPT SIGNS

The following signs shall be exempt from the regulations herein:

(a) Signs not exceeding 1-1/2 square feet in area and bearing only property numbers, post-office box numbers, names of occupants of premises, or other identification of premises not having commercial connotations except for identification of an approved home occupation;

(b) Flags and insignia of any government except where displayed in connection with commercial promotion;

(c) Legal notices; identification, informational, safety, or directional signs erected or required by governmental bodies or public utilities;

(d) Integral decorative or architectural features of buildings, except letters, trademarks, moving parts, or moving lights;

(e) Signs directing and guiding traffic and parking on private property, but bearing no advertising matter and having a display area of less than six (6) square feet.

(f) Signs not exceeding twelve (12) square feet in total display area pertaining only to the prospective sale, rental, or lease of the premises upon which displayed;

(g) On-site signs temporarily attached to or lettered on the exterior or interior of a store window.

SECTION 9330.3 PERMITTED SIGNS

Signs may be permitted in the City only in the cases and under the conditions set forth in Sections 9330.4 through 9330.4.2. All

signs not specifically permitted by or exempted from these regulations are prohibited.

SECTION 9330.3.1 TEMPORARY SIGNS

(a) On-site signs not exceeding forty (40) square feet in area, for each display surface, advertising the sale of subdivisions of five (5) or more lots may be permitted provided that not more than one such sign having not more than two display surfaces may be located at each major approach to the subdivision, and provided further that the display of such signs shall be limited to a six-months period. At the expiration of such fixed period of time, the applicant may request a further extension of time; otherwise, the sign shall be removed. When the fixed period of time for the display has expired and the sign has not been removed, the City, after ten (10) days notice to the owner, may enter upon the premises upon which such sign is located and remove such sign at no liability to the City and at the expense of the owner.

(b) One on-site sign not exceeding forty (40) square feet in area, for each display surface, announcing the name and character of any non-residential building or complex, either to be constructed or under construction, may be permitted provided that such sign shall be removed within three months after final inspection of the building.

(c) Political signs (signs designed to influence the action of the voters of this City) may be permitted, subject to the following conditions:

1. Each display surface for such signs shall be no larger than forty (40) square feet and no sign shall have more than two display surfaces.

2. Signs shall not be placed on public property nor in any residentially zoned districts.

3. Signs shall be permitted thirty (30) days before an election and shall be removed within ten (10) days after the same election.

(d) The use of pennants, streamers or whirligigs may be permitted in connection with a "Grand Opening" or "Open House". The display of such devices shall be limited, in the permit, to a specific period - as approved by the Planning Director - not to exceed thirty (30) days. The display period may be extended only after approval by the Planning Director. When the fixed period of time has expired and the sign has not been removed, the City may enter upon the premises upon which such devices are located and remove such devices at no liability to the City and at the expense of the owner.

SECTION 9330.3.2 PERMANENT SIGNS
All permanent signs shall be designed so as to be architecturally compatible with and suitable for the buildings and structures with which they are associated as well as the surrounding area.

1. On-site signs which identify or convey rental information about multi-family or group dwellings may be permitted on the premises provided:

(a) The total display area for all signs for any one development is no greater than eighty (80) square feet and no single sign shall have a display surface greater than forty (40) square feet.

(b) The signs shall not move, nor be animated, nor have flashing or moving lights.

(c) Any illumination shall be provided either by interior lights or reflectors concealed in shrubbery or decorative structures. Such illumination shall not cause any glare on surrounding streets or adjacent property.

(d) The signs may be attached to or painted on the building or free-standing. If attached, such signs shall be parallel to the building wall to which it is attached and shall not project above the roof line nor beyond the walls of the building. If free-standing, such signs shall not project over public property nor be more than six (6) feet high.

2. On-site signs with the name of an office building or the names of the occupants of business, professional or administrative offices may be permitted provided:

(a) The total display area for all signs for any one development is no greater than eighty (80) square feet and no single sign shall have a display surface greater than forty (40) square feet.

(b) The signs shall not move, nor be animated, nor have flashing or moving lights.

(c) Any illumination shall be provided either by interior lights or reflectors concealed in shrubbery or decorative structures. Such illumination shall not cause excessive glare on surrounding streets or adjacent property.

(d) The signs may be attached to or painted on the buildings or free-standing. If attached, such signs shall be parallel to the building wall to which it is attached and shall not project above the roof line nor beyond the walls of the building. If free-standing, such signs shall not project over public property for a distance greater than two (2) feet nor be higher than 35'. Any sign, projecting over public property, shall have a minimum of ten (10) feet free clearance extending from the level of the side-walk or grade, immediately below the sign, to the lowest point of the projection.

3. On-site signs for conforming commercial and industrial uses may be permitted provided:

(a) The number and size of individual signs shall be no greater than (Con't on page 9)

er than is necessary to adequately identify the occupants of the premises and indicate the products or services offered. Unless essential for the operation of the business, such signs shall be attached to or painted on the building and parallel to the adjoining street.

- (b) No sign shall have a display surface greater than two hundred and fifty (250) square feet. A sign, whether free-standing or attached to a building, may have a total height not exceeding thirty-five (35) feet above ground unless such sign is designed as part of the architecture of a building which is higher than thirty-five (35) feet. If a sign is designed as a part of the architecture of a building higher than thirty-five (35) feet, the sign may be as high as the roof line of the building but shall not extend above the roof or parapet wall of the building.
- (c) Individual signs for occupants in the same building or shopping center shall be of the same size and design insofar as possible.
- (d) No sign shall project over a public right-of-way for a distance greater than two (2) feet. Any sign, projecting over public property, shall have a minimum of ten (10) ft. free clearance extending from the level of the sidewalk or grade, immediately below the sign, to the lowest point of the projection.
- (e) No sign shall be animated by flashing or traveling lights with exception of time, temperature and news devices. Signs may be permitted to rotate but shall have no other motion.
- (f) Any illumination shall be provided either by interior lights or reflectors concealed in shrubbery or decorative structures. Such illumination shall not cause any glare on surrounding streets or adjacent property.
4. On-Site signs which identify public buildings or grounds, private institutions or churches may be permitted provided:
- (a) The aggregate display area of all signs (including bulletin boards) does not exceed forty (40) square feet;
- (b) The signs shall not move, nor be animated, nor have flashing or moving lights;
- (c) Any illumination shall be provided either by interior lights or reflectors concealed in shrubbery or decorative structures. Such illumination shall not cause any glare on surrounding streets or adjacent property.
- (d) The signs may be attached to or painted on the building or free-standing. If attached, such signs shall be parallel to the building wall to which it is attached and shall not project above the roof line nor beyond the walls of the building. If free-standing, such signs shall not project over public property nor be more than six (6) feet high.
5. Off-site signs containing a list of civic organizations or indicating only the direction to ward and distance to any civic, public or quasi-public facility may be permitted provided:
- (a) Such signs are not illuminated nor animated by means of flashing or traveling lights, moving or rotating parts, or any other method causing a non-stationary condition;
- (b) The display area of such signs is no greater than that needed to convey the required information;
- (c) Such signs have been approved by the Planning Commission.
6. On-Site signs for non-conforming uses may be permitted provided:
- (a) All regulations of the Campbell Municipal Code pertaining to the use involved have been complied with;
- (b) Such signs have been approved by the Planning Commission. The Planning Commission in granting approval shall be guided by the sign regulations pertaining to permitted uses in the same zoning districts and the relationship to adjacent development.

SECTION 9330.4 SIGN PERMIT

No sign (except those exempt from these regulations as provided in Section 9330.2) shall be erected, re-erected, created, or altered unless a permit has been issued by the Building Official as required by the Codes and Ordinances of the City of Campbell. Except as otherwise provided, no permit shall be issued unless the proposed sign has been approved by the Planning Director.

SECTION 9330.4.1 APPLICATION

Application for sign approval shall be filed with the Planning Department. The Planning Director shall prescribe the form of application and data to be filed with the application.

SECTION 9330.4.2 APPROVAL

The Planning Director may approve a proposed sign provided:

1. Inspection of the site of the proposed sign and review of the plans discloses

that all the regulations of this Code pertaining to signs will be complied with. The Planning Director may attach such conditions as are necessary to carry-out the intent of the Code.

2. The owner and/or applicant agree to abide by such sign regulations and conditions imposed by the Planning Director (this agreement shall be in writing).

SECTION 9330.4.3 REFERRAL

The Planning Director may refer any application for sign permit approval to the Planning Commission for their consideration as provided in 9330.6.

SECTION 9330.5 APPEALS

Any decision of the Planning Director, either for conditional approval or denial, may be appealed to the Planning Commission. Such appeal shall be in writing, shall set forth the reason (s) for appeal and must be filed with the Secretary of the Planning Commission within ten (10) days from the date of decision of the Planning Director. Any decision not appealed within ten (10) days shall be final.

Upon receipt of the appeal, the Secretary of the Planning Commission shall cause the item to be placed on the Agenda of the next regular Planning Commission meeting.

SECTION 9330.6 ACTION BY PLANNING COMMISSION

Upon receipt of an appeal or referral of any sign application, the Planning Commission shall consider the matter in the same manner as other Architectural Approval Applications (Section 9316), and shall set forth their decision within sixty (60) days of receipt of such application.

The Planning Commission may authorize more signs, larger signs and/or higher signs, when it determines that the use or uses for which the signs are to be erected would be inadequately identified or unusually difficult to locate in comparison to similar uses without exceeding the standards provided herein; or, when it determines that the use is of such size and is so located in reference to surrounding uses and/or the traffic circulation system that a larger or higher sign would best serve the public welfare and would be in keeping with the principles and purposes of this ordinance.

SECTION 9330.7 NON-CONFORMING SIGNS

Any sign, lawfully existing at the time this Ordinance became effective or which was lawfully existing on property annexed to the City subsequent to the effective date of this date of this Ordinance, which is in conflict with the provisions of the Campbell Municipal Code, shall be considered a non-conforming sign.

No non-conforming sign shall be in any manner altered, reconstructed or moved without being made to comply in all respects with the provisions of this Ordinance; provided, however, that nothing herein shall prohibit the normal maintenance or repair of any non-conforming sign nor the painting or repainting of the face thereof until it shall be removed or made conforming as provided herein.

SECTION 9330.8 ABANDONED SIGNS

No person shall maintain or permit to be maintained on any premises owned or controlled by him any sign which has been abandoned. Any such sign shall promptly be removed by the owner of said premises. Any sign which is located on property which becomes vacant and unoccupied for a period of three (3) months or more, and any sign which was erected for an occupant or business unrelated to the present occupant or his business, and any sign which pertains to a time, event or purpose which no longer pertains, shall be presumed to have been abandoned.

PASSED AND ADOPTED THIS 10th day of April, 1967 by the following roll call vote:

AYES: Councilmen: Doetsch, Hyde, Rose Smeed, Rogers

NOES: Councilmen: None

ABSENT: Councilmen: None

APPROVED: Edward J. Rogers, Mayor

ATTEST: Dorothy Treveltham, City Clerk

Publish: April 9, 1967

LEGAL NOTICE

NOTICE OF ELECTION SCHOOL DISTRICT MAXIMUM TAX RATE INCREASE

Notice is Hereby Given that an election will be held in the MORELAND SCHOOL DISTRICT of Santa Clara County, California, on Tuesday, May 23, 1967, at which there will be submitted to the qualified voters of the district the proposition whether the maximum tax rate on each \$100 of assessed valuation shall be increased from \$2.10 to \$2.64, such rate to be in effect in the district for the school years 1967-68 through 1971-72.

The polls will be open between the hours of 7:00 A.M. and 8:00 P.M. on the day of the election.

The election returns will be canvassed by the County Superintendent of Schools at 10:00 o'clock A.M. on Tuesday, May 31, 1967, at his office on the sixth floor, County Administration Building, 70 West Hedding Street, San Jose, California.

Applications for Absentee Ballots may be made at the office of the Registrar of Voters, 45 West St. James Street, San Jose, California.

Applications for Absentee Ballots will be accepted between April 24, 1967, and May 16, 1967, inclusive.

Absent voter ballots may be obtained by applying in person or by mail, at the office of the Registrar of Voters, 45 West St. James Street, San Jose, California, and such ballots shall be returned to that office.

Applications must reach the office of the Registrar of Voters not later than May 16, 1967.

The deadline for the receipt of absentee ballots at the office designated above is 5 o'clock P.M., Monday, May 22, 1967.

The precinct listing in each special precinct includes all those portions of County Election Precincts lying within the boundaries of the respective School District(s) involved in this election.

The election precincts and the polling places designated for the election are as follows:

Meredith Wilson will be at West Valley College April 20

MEREDITH WILLSON

A philosophical Iowan who has won enduring fame in the entertainment world with such hit shows on Broadway as "The Music Man" comes to West Valley College at 8:15 p.m. Thursday April 20, presented by the College's Office of Community Services.

He is, of course, Meredith Willson, whose musical comedies play to packed houses everywhere. His program here is entitled "An Evening With Meredith Willson" and it combines genial humor, refreshing comment and good music.

Willson first won nationwide acclaim for his musical compositions, his orchestral conducting and his humorous philosophy and writings. To these accomplishments he added musical comedy in 1957, when "The Music Man" was a smash hit on Broadway, to be followed by "The

Unsinkable Molly Brown." A third musical "Here's Love" based on the movie "Miracle on 34th Street" was another smash, and his latest "1941" will musically describe the story of Christopher Columbus the year BEFORE he discovered America.

He has appeared on his own radio programs and has been a real "Music Man" ever since he purchased a mail-order flute in his native Mason City, Iowa, at an early age.

Tickets for the show may be obtained on a first-come, first-served basis from the College's Office of Community Services, 379-1733, Ext. 48. The general admission price is \$1.00, with students possessing a student body card paying 25 cents.

New Books at the CAMPBELL LIBRARY

INSIDE INTERNAL REVENUE, a report to the taxpayer, by William Surface.

Here is the first authoritative report on the biggest, toughest and heretofore most mysterious money-collecting industry on earth--the Internal Revenue Service.

The book tells you the answers to questions such as "What are the five most common reasons for audit? - How long does IRS keep your return on its active file? - Can you bargain with IRS?" A timely volume at this season of the year.

THE MAFIA AND POLITICS, The Definitive History of the Mafia, by Michele Pantaleone.

Michele Pantaleone's fascinating history of the Mafia reveals the organization's origins in feudal times and gives a fast-moving narrative account of its notorious criminal activities, its hold on the Sicilian people, its ties with the American underworld and its shocking political affiliations.

THE WORKING PRESS, Edited by Ruth Adler.

A universal glamour attaches to the life of a newspaper reporter. Readers seldom know the story that lies behind the story in the morning paper. And that is what this book attempts to reveal.

The articles in this book were written by newspapermen for "Times Talk" which is the house organ of the New York Times. They tell how they covered many of the important events of our times under strange and sometimes difficult circumstances.

SPECIAL ELECTION PRECINCT No. 9:

County Election Precincts: 4676, 4677, 4702, POLLING PLACE El Quito Park School, 18720 Bucknall Road, Saratoga, California.

Wells Fargo presents awards to Future Farmers

Forty Future Farmers of America, representing FFA chapters in the Santa Clara section were presented gold and silver awards recently, climaxing the 1967 Farm Program Competition sponsored by Wells Fargo Bank.

Presentation of the coveted annual awards, now in their 15th year, was made at a banquet at the Hyatt House by James Cody, of Wells Fargo's Salinas main office, and Harmon Toone, dairy department, California State Polytechnic College. The two served as FFA project judges in the final round of competition.

All six of the high schools in the Campbell Union High School District participate in the competition.

Those receiving awards at the banquet included: Campbell High: Steven Ryan, gold;

Joe Bunnell, Patrick Moore, silver.

Westmont: Mick McCalister, Tom Romine, silver.

Camden: Mike Saracino, gold; Tom Fuller, Randy Peer, Silver.

Del Mar: Mike Gebetsberger, gold; Tom Atkin, silver.

Blackford: Robert Bast, Robert Frye, Phil Jordan, silver.

Master of ceremonies for the program was Walter A. Jenkins, manager of Wells Fargo's Alum Rock office, Walter J. Grierson, vice president and manager of the San Jose main office was host for the annual dinner.

"Building and Highways or Food," was the

featured talk given by Gregg Orlando, San Jose High School chapter. Other student participants were Richard Breien, Willow Glen Chapter, who gave the Pledge of Allegiance, and Ray Navarre, Pioneer Chapter, who led the invocation.

Each contestant went through preliminary judging at his local high school before proceeding to the sectional competition against Future Farmers from other schools. Winners attending the ceremonies received either gold or silver certificates and a gift from the bank.

The basis of the unique competitive program is a supervised

farm project which each boy must complete during his high school years as a requirement of vocational agriculture and of membership in the FFA. Spanning the entire field of agriculture, the projects also call for training and knowledge in farm mechanics, record keeping and use of bank credit.

Developed in cooperation with the State Bureau of Agricultural Education, the 72 participating high schools in northern and central California and the Future Farmers of America, the Wells Fargo-sponsored program involves over 400 students.

Winners of awards in the annual farm program competition sponsored by Wells Fargo

from Del Mar and Blackford high schools. Left to right, Mike Gebetsberger, Tom

Atkin, Del Mar high; Robert Bast, Robert Frye, Phil Jordan, Blackford High.

Future Farmers from the Campbell-Westmont chapters who received awards from Wells

Fargo, left to right, Joe Bunnell, Patrick Moore, from Campbell High; Mike McCalister,

Tom Romine, from Westmont, (Steve Ryan, gold award winner, was absent).

Members of the Camden-Leigh Future Farmers chapter who

received the annual Wells Fargo awards in the farm program competition. Left to right,

Mike Saracino, Camden High; Doug Mayfield, Leigh; Tom Fuller, Randy Peer, Camden.

Death claims A. E. Brydon

A short illness has claimed the life of Archibald E. Brydon, a 55-year resident of Campbell, and father of Robert W. Brydon, Campbell orchardist. He was 79.

Brydon, who resided at 221 Cherry Lane, was superintendent of the now defunct J.C.

A. E. BRYDON

Ainsley Packing Co. of Campbell. Ainsley Co. was one of the first canning companies to pack fruit salad in glass, a process in which Brydon was interested. He was also secretary of the Canner's League, a fruit processing association, and helped to employ many local people in the canneries.

After his retirement in 1950 he was asked to act as a consultant to a large canning corporation in Australia, and made several trips to Melbourne to assist them in building up their canning industry.

The elder Brydon was a member of Morning Light Lodge IOOF 42 of Campbell and the San Jose Encampment 35 of the Odd Fellows. He recently received his 40 year jewel. He also served as secretary to the Lodge and was active on the drill teams for installation ceremonies.

SURVIVORS

He was married to the former Theresa Scholz who passed away in the early 1950's. Her family first settled here in the early 1870's on the property at Budd and Winchester, now occupied by the Campbell Plaza Shopping Center.

Brydon was a native of England.

Survivors in addition to his son, Robert, who is chairman of the West Valley College Board of Trustees, also include two daughters, Mrs. Olga Cooper of Gilroy and Mrs. Nora Ogren of Woodside, Calif.; three sisters, Mrs. Esther Bloomer, Mrs. Mary Crosthwaite and Mrs. Eva Casebourne, all of England, and eight grandchildren.

Services were conducted today (Wednesday) from Campbell Memorial Chapel.

Star-Spangled Foundation
You can start your new home with Savings Bonds right now - and look how easy the Payroll Savings Plan makes it:

There is nothing more disappointing than to discover the home of your dreams, only to learn you don't have enough cash for the down payment.

Buying Bonds on the Payroll Savings Plan is one way to make certain your dreams come true.

You can forget the worry of having money to save after the bills are paid. The money will be saved, automatically, beforehand.

And your savings will build fast. With the new 4.15% interest rate, Series E Bonds give you back \$4 for every \$3 in just seven years.

Bonds give you the good feeling, too, of knowing for sure that your savings are safe. Your \$4 for \$3 return is guaranteed by the U.S. Government.

It's important, too, that Bonds help protect your freedom to build your own home. They help keep AMERICA the secure, free land you want for your family - maintain a stable economy and back our men in Vietnam.

There's no better time than right now to start a financial foundation to "build on." Sign up today for the Payroll Savings Plan where you work.
